A Slick Willy?

Bill Clinton did not have sexual relations with these women – but we bet he wishes he had when he found out who they were. Brooklyn Lee (AVN's Best New Starlet 2012) and Tasha Reign (star of *Farm Girls Gone Bad*) were snapped with the dress-soiling ex-prez at a fundraiser in Monte Carlo, the pics going viral on Twitter and leading to Bill picking pieces of Hillary's best china out of his turn-ups for the next six months. Maybe a fake pic of daughter Chelsea getting her oval orifice out might divert Hillary's wrath for a sec? Glad to oblige, Bill.

Essex Appeal

Ex-TOWIE star Amy Childs is boosting her 32C-cup knockers, shown here at varying stages of escape from her clothes, to 32DD. Apparently she thinks her 21-year-old ladybumps are getting "saggy". The only droopy tits we can think of on the retard-friendly "constructed reality" show are those belonging to krill-munching Gemma. Or possibly Arg. Amy's got absolutely nothing to worry about. So stay away from the boob doctor, Amy, unless it's to attach our pricks permanently between your jubblies.

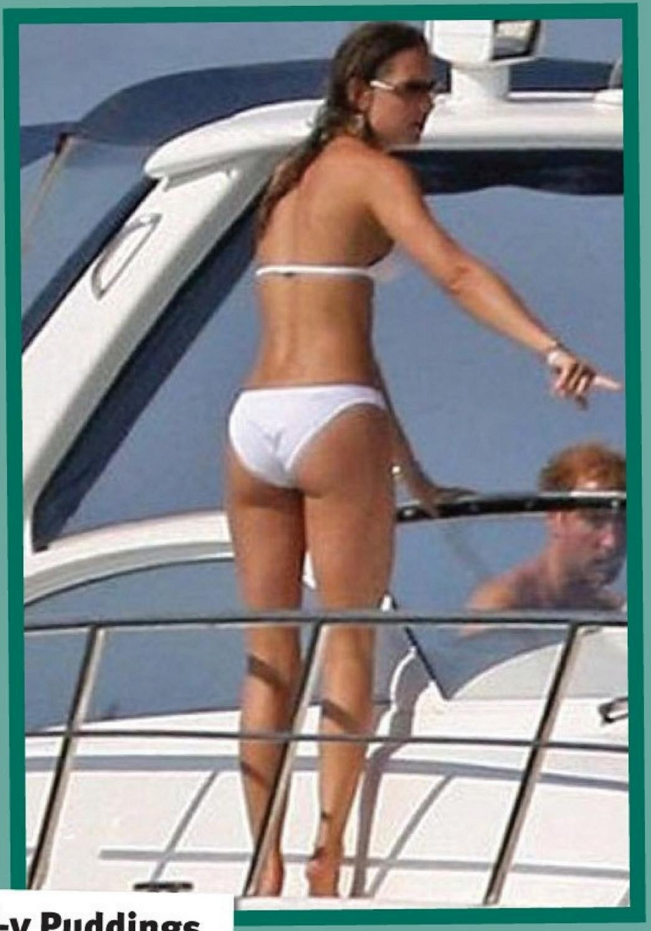
Attention Boys!

The roller coaster that is Britney Spears' career took another loop-the-loop as she bagged a seat on *The X Factor USA*'s judging panel, then walked out on her first day. Sources say the *Toxic* singer, dancer and all-round nutjob is suffering from Attention Deficit Hyperactivity Disorder, something we will mysteriously contract when *The X Factor* returns to British screens. But fans of her foo-foo won't be suffering from any such deficit after checking out these muff-see up-skirt shots.

Kard Looking Sharp

Stacked socialite Kim Kardashian, whose marriage to Kris Humphries expired faster than the sausage rolls they had at their wedding breakfast, is reading Nietzsche to convince current squeeze Kanye West that she's not just a bimbo. In another shock move, Kim (dubbed by Russell Brand "the Stanley Kubrick of sex tapes – they're brilliant but she only does one every ten years") has confessed that she is learning to appreciate her privacy. Just in case she means it, here are some pics of her tits and arse until she changes her mind.

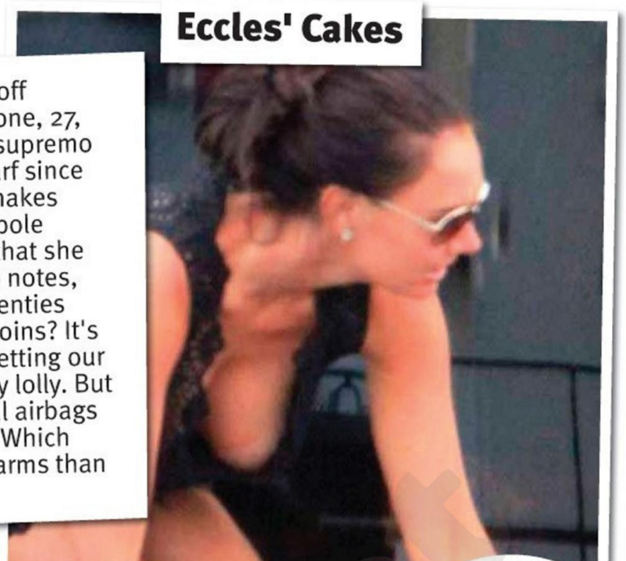


Sticky Toff-y Puddings

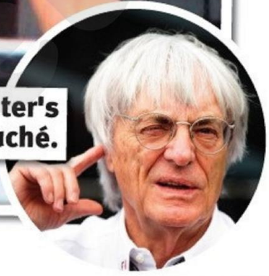
Forget the four day bank holiday weekend – we couldn't have been happier if this month's royal flotilla had gone the way of the Mary Rose and was followed by Prince Charles's public guillotining on the Buck House balcony to the strains of Tom Jones' *Mama Told Me Not To Come*. The Middletons aren't royals, but we'd still decapitate most of them – except the lovely Pippa, who, along with her lovely arse, would be kept in the Tower for our delectation. 32E-breasted Tina Taylor-Wood (pictured below), who was more off her head than off with their heads, spent thousands of pounds turning herself from a boozy slob dancing on tables and spraying bouncers with beer in Maidstone into a Pippa Middleton lookalike, slimming down to a size eight, then getting naked and playing with a big dildo, like we fantasise Pippa does at those swanky French sex parties she goes to.

Eccles' Cakes

What is it about toff Tamara Ecclestone, 27, daughter of F1 supremo Bernie, the richest dwarf since Rumpelstiltskin, that makes us our cocks race into pole position? Is it the fact that she sleeps on a bed of £50 notes, wipes her arse with twenties and bathes in pound coins? It's partly the thought of getting our hands on all that lovely lolly. But it's more the wonderful airbags God fixed to her front. Which gives her two more charms than her old man has.



CELEBRITY GOSSIP



You think my daughter's 'racy'? Toupee. I mean touché.

Coronation Chick 'n' Ken

Michelle Keegan (Tina from Corrie) picked up the Sexiest Female gong at the British Soap Awards for the phwoar-th consecutive year. A fact that hasn't got unnoticed by Bill Roache (Ken Barlow), who recently admitted he'd slept with over 1000 women. Which sounds impressive, but considering he's approaching his 261st birthday, is about average. "I'm not joking, but he's always touching me on the bum," the Stockport-born stunner said. "But because it's Ken Barlow he gets away with it. He's a legend." Ken Barlow is also wanted for questioning in relation to the Brinks-Mat robbery and Jack the Ripper murders.

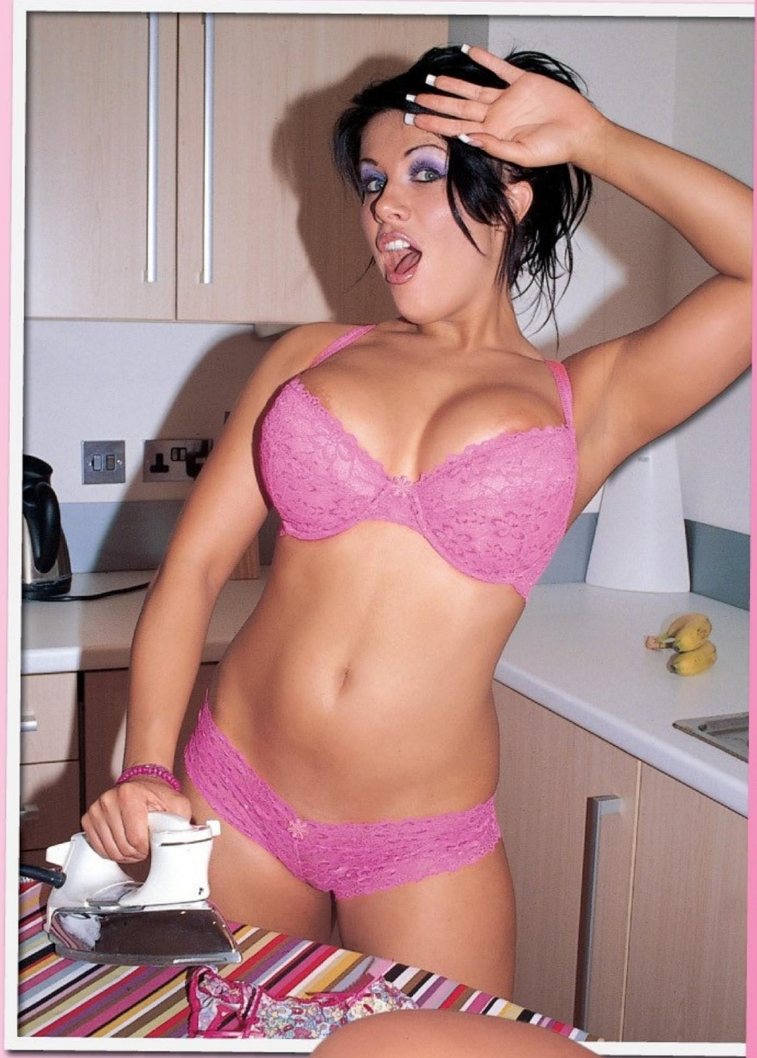
JENNIFER KEELING



When aspiring British porn star Jennifer Keeling decided to make her mark in Los Angeles, she took the much more porn-friendly name Jordan Jagger. With her pneumatic body and love of hard sex, the Americans took too her rather quickly, and a lot of work for legendary names like Penthouse and Playboy followed. Now back in the UK, it turns out that she's plain old Jennifer again. It could get complicated all too easily. However, as Shakespeare once wrote, "A rose by any other name would smell as sweet," and so long as Jennifer/Jordan keeps on fucking, we doubt whether anyone would complain!

HAPPY BIRTHDAY

21 BIRTHDAY
Happy Birthday

21 BIRTHDAY
Party!

So do we call you Jennifer or Jordan?

It's a little confusing, isn't it? In the US, they call me Jordan Jagger, but over here – because of the modelling and other work I did before I went to California – everyone knows me as Jennifer, so my myspace page is under the name Jennifer. I think I'm going to have to be Jennifer in the UK and Jordan in the US!

So Jennifer, how long have you been working in the adult industry?

I've been working in the industry in one way or another since I was 18, but I've only been doing hardcore since January this year. I used to dance, do modelling, topless TV and loads of other stuff, but I've always known that I wanted to do hardcore, it was just a question of taking little baby steps along the way. It came to a head at the end of last year, when I dumped my fella and moved to LA so that I could get into the industry – I even got the words 'Born for Porn' tattooed on my neck!

Why did you start your hardcore career in US?

Well, I figured that if I was going to do it, LA was the best place, because LA is where everyone's based. I wanted a kind of crash course in hardcore porn, so I went over to the porn awards in Vegas and met loads of performers and talked to them so that I knew in my head that I was ready to do it.

Who was your first scene for?

Funnily enough, I travelled all that way and my first scene was for an English company, Killergram. And the guy I was with had a massive cock, really big, so it was a case of jumping in at the deep end. But it felt right, I felt like I'd really found my place. I love to perform anyway, I always did when I was dancing, and when I got in front of the camera it felt great. I totally forgot about all the other people there and got totally into it.

So you get off during your scenes?

Oh yeah, I love the craziness of it all and being watched… I'm a total attention whore!"

Who else have you worked for?

Mainly for Penthouse. I did one film for them called Sex In Dangerous Places where me and another girl had to pretend to be coming out of a club and we found this dirty old tramp, and then we fucked him on like a pile of rubbish.
It was totally mad!

Do you find working over there different to over here?

Well, it's still basically the same things you're doing, but in the US, it's like making a movie, everything's on a much bigger scale. So it takes ages to shoot a scene, but you have proper catering and sound and make-up. I remember one time when I was standing outside this really posh mansion and there was a guy rubbing oil into my skin to get me all lubed up and shiny for a scene. And that was his job for the day – rubbing oil into the models' naked bodies! Nice work if you can get it! If I ever get too old for the modelling game, maybe I could have a go at doing that!

What kind of scenes do you enjoy doing the most?

Group sex scenes, and preferably with a lot more men than women. I'm very highly sexed, both on and off screen, so a load of us writhing around and fucking really does it for me. I love going to swingers parties for the same reason, just showing off and having lots and lots of sex with cocks and pussies in every direction!

You also did some bondage work over there, are you into that kind of thing?

That one was through a friend. I'd never done any BDSM before and it was really intense, really hardcore. Just being tied up and in a stress position, with the adrenaline kicking in and the pain and the pleasure mixed in together, was intense. I don't think I could do it a lot, but it was an eye-opener, and a pussy-moistener!

Sounds like you were having a whale of a time...

I was, and then my visa ran out, so I came back. I think that's good, in a way, because over there you're a very small tadpole in a very big pond, but back here you can make a lot more of an impact. I'll go back to work, but only for shorter visits. Right now I'm just doing more work over here."

You don't look like a normal British porn star.

I know, I've had a boob job and I've got big hair, but the Americans really like that with the British accent. I think they like the way that we say words like 'cock' and 'fuck', they think it's really upper class, so I play up to that and posh up the accent a bit for them! I got the boob job last year, because I wanted to have bigger boobs when I was doing porn, and a lot of guys like them a bit bigger, but I think they look really good.

So what are your plans for the future?

Just working in the UK and US for now. I want to have my own little porno empire, fucking on film but also directing and producing. I think I'll always be in the industry, but just doing more and more things. Whenever I'm working, I'm also learning how people shoot things, what looks best, how to shoot a scene, and so hopefully that will work out.

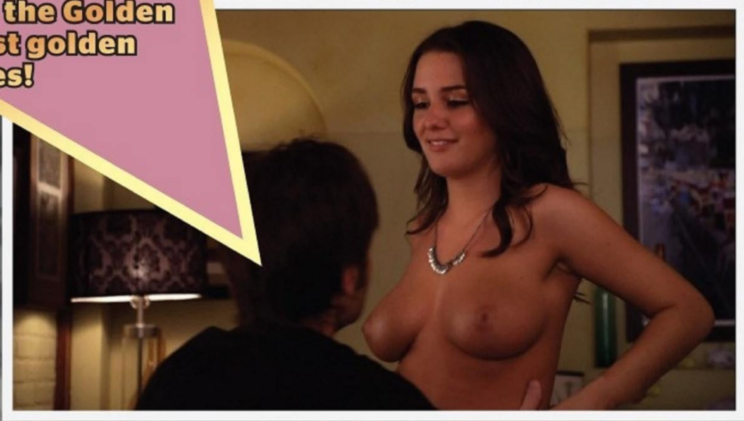
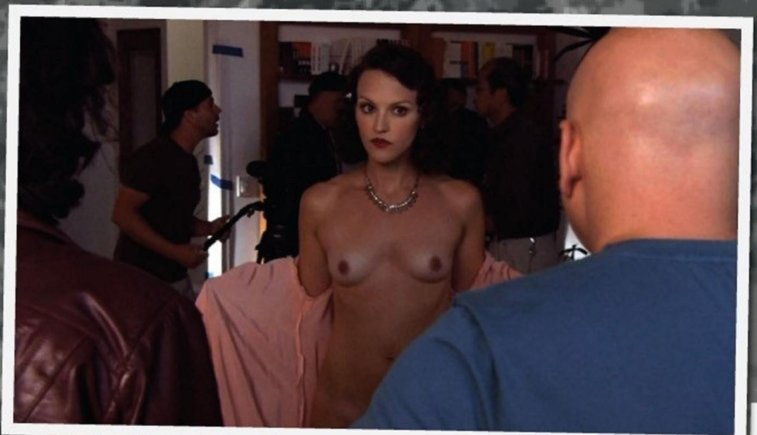
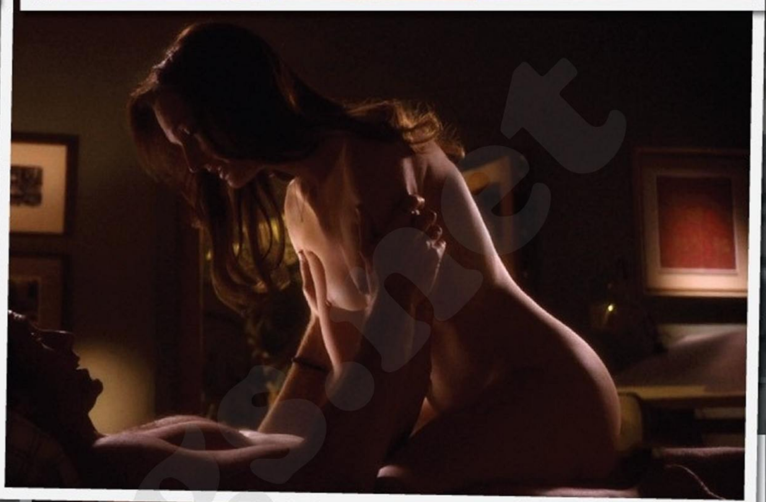
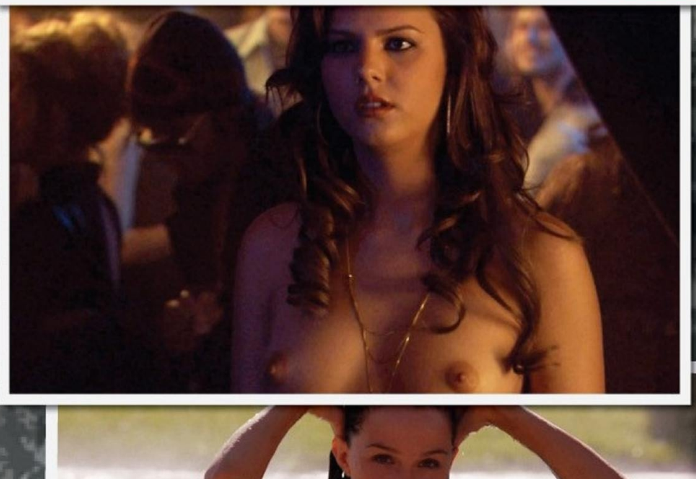
CALIFORNIA CREAMING

Award-winning actor David Duchovny stars as sex-obsessed Hank in Showtime's Californication, but the real shining lights of the show are the boobs, bums and bushes of his Cali co-stars. The Red Hot Chili Peppers launched a lawsuit against Showtime, complaining it had ripped off their album title. But we think the rockers were just jealous of the Golden State's finest golden globes!









Kelly Brook

When Kelly Brook was fronting *The Big Breakfast*, we were obsessed with serving her up our sausage, followed by a hot helping of beans. But since leaving the purgatory of breakfast TV and Johnny Vaughan, the curvalicious cutie and her enormous natural norks have moved up to the high table of Hollywood. Finally succumbing to cigar-chomping exec's desires to bare all, she didn't disappoint in 2004's *Survival Island*, in which her arse and boobs should have taken top billing. Her career high point so far was reached in 2010's *Piranha 3D*, in an underwater lesbian ballet that sounds like something Lambeth Council might be putting on at Christmas, but is far hornier than that with Kelly's butt, bush and boobs all on display. Perhaps a bad move, as Kelly ends the film devoured by a prehistoric shoal of razor-toothed fish who must have extremely good taste.

Letters

Do you have any burning questions that you want answered?

Email Mail Slut at: letters@euroticus.net

Dear Mail Slut,
I was having a quick shufti over your Rihanna fake when a thought occurred to me: she clearly isn't the best singer out there, plus she is known for being all badass with whips and chains. Don't you think she'd be up for stripping? Have you asked her? I'd like that.
Reggie, Hull

Dear Reggie,
I agree that it would be great to see raunchy Rihanna's rack. I did send an email to Rihanna@hotmail.com but sadly she is yet to reply. Beyond that, I'm a bit scared to stalk her as I know her fellas are prone to beating people up and I actually quite like my face. Luckily for us, the picture ed has agreed to do another fake of the dirty star – if I let him up my dirty star. Rock on!

Dear Mail Slut,
I've just finished jerking over your Les is More story and I'd really like to know where that blonde bitch's local is. You see, I run a pub and the most action I get is from Fat Lil who jerks me off in the bogs when she's run out of cash for her usual vat of Stella. If I were to meet Blondie, I would shower her with champers before eating out her juicy cunt. Go on tell me, where is she?
Fritz, Bognor

Dear Fritz,
Sadly, all I know about our Blondie (aka Angela) is that she's from Blackburn. I've been trawling around all the pubs in the region with the hope of getting a whiff of her flaps. All I've managed is a blow job in the cellar from some drunken sot which was great and all but I'm still yearning. How's about you let me know where your pub is and I'll let you screw me in the loo for the price of a packet of pork scratchings and as much Vodka and Red Bull as I can shove down my gob?

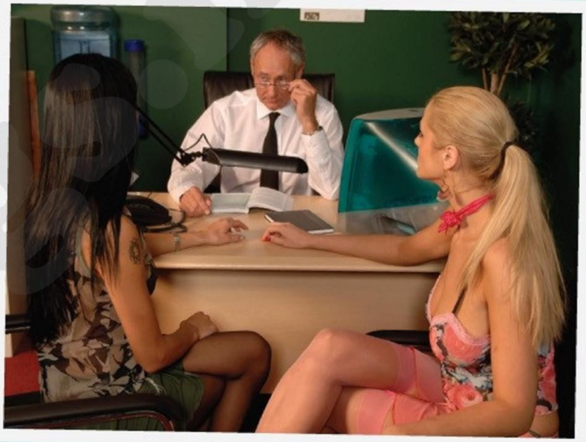
Letter of the month

Dear Mail Slut,
After spending a glorious Jubilee downing Pimms, eating cucumber sandwiches and shagging tourists, I got to wondering: does the queen have sex? I mean, I know she's ancient and generally hides her body under tent-like dresses, but I'm pretty sure she's got a pair of great knockers and we all know Prince Phil is a randy old sod. What do you think?
George, Rhyll

Dear George,
Like you, I like to imagine old Queenie as permanently knickerless with love balls stuffed up her shaven haven. This would explain why, when she speaks, she sounds like she's trying to suppress an orgasm. Plus my fave sex act comes from Her Maj. Indeed as I write this I am sat atop the picture ed's face. Mmm, God save queening!

Dear Mail Slut,
Ben Dover's threesome column really inspired me. I'm a very greedy girl and have always fantasised about fucking another girl but know that I would miss a cock. Ben made getting two people to fuck you at once seem so simple. Also it reinforced the idea that, even if you aren't that model-esque, the idea of shagging two cunts will make most guys drop their kecks and commence double dipping. So I went to my local swingers club and found my opposite – I'm brunette and curvy so I met a skinny blonde bombshell. When I told her that we were going to hunt out a cock, she got all excited. It didn't take us long to land our victim and soon the girl was expertly eating out my cunt while I had a cock up my arse. Fucking heaven! Thanks Ben and all you dirty people at Adult Sport.
Fiona, Windermere

Dear Fiona,
A lot of people say that wank mags such as ours are really down on women. They hate that we call them sluts and bitches who secretly want to be stuffed with cocks at every opportunity. But you've just proven how helpful we can be. Yay us! And yay you for sharing you dirty slutty ways! Fancy a shag?



Dear Mail Slut,
I read with interest your news piece on Gwyneth Paltrow forgiving adultery. Clearly, she is the most vacant, sappy fuckwit ever to grace our screens. But such annoying bitches are great for fucking. Oh, how I would love to defile that smug grin and fuck the holes that her equally pitiful, annoying husband's limp cock leaves totally unsatisfied. If ever she needs someone to work through her ideas, I'd be happy to fill her in.
Josh, Wimbledon

Dear Josh
I know what you mean about fucking people you wouldn't want to have a cuppa with. When I'm shagging our postman, I don't worry about shaving my pussy, putting on deodorant or making sure that they've shot their load. I just get my fill and fuck off. And the funny thing is they're usually grateful for it! Unfortunately for you, Josh, I'm not sure I'd like to have a cuppa or a bunk up with you – you do sound a bit scary. Maybe you'd best stick to wanking over jizz mags.

Angelina Jolie

We've always got our Jolies from Angelina. And thankfully, Brad Pitt hasn't put up the shutters on our favourite borderline bunny boiler. Either that, or she thinks getting her baps out at every opportunity stands her in good stead these days as a goodwill ambassador to the United Nations. Here are some shots of the Aniston-crushing sexpot in *Gia*, *Taking Lives* and *Original Sin*. We hear Ban Ki-Moon and Kofi Annan love to crack open the popcorn over this little lot!

Joy Rider

When term broke up last summer (I am a 20-year-old student studying law at a university in London), most of my friends went back to their home towns but my housemate Freddie and I stayed on for our work placements in the city. The area we live in is typically studenty so it was a shock to find our local pub deserted, especially when we relied on it so much for our shagging partners!

It looked like it was going to be a long dry summer, although most nights I kept myself incredibly wet as I fingered myself in bed. But it wasn't just me who was suffering from sexual frustration. Freddie was desperate too and one morning I found him staring lustfully through the net curtains at the pert backside of a brunette doing rather a lot of bending over in the course of unloading her car.

Having been bribed to make neighbourly introductions, the three of us became good friends, although Freddie made little headway with Joy. But it wasn't until we were getting ready for a girls' night out at my place that I understood why.

That evening I was feeling particularly horny and decided to put on my best lacy lingerie in the hope of getting a screw. But after sharing a bottle of wine with Joy, I was having a job doing up the fiddly suspenders at the back. "Let me give you a hand," she said, and knelt down to gather up the stocking from my ankle. The instant I saw the mischievous smile on her lips I knew what she wanted. Although I can't imagine anything better than a hard cock pumping inside me, I admit the idea of being seduced by a woman has always secretly excited me.

She smoothed the stocking past my knee and up my thigh.

She traced her fingers higher and higher, whilst I remained frozen in anticipation, unable to breathe. It was only the creamy love juices flowing down my legs that betrayed how turned on I was.

She moaned when she felt my wetness and brushed my quivering pink lips with her hands. She removed my underwear and I gasped aloud when she found out my swollen clit. With one hand she pulled back the hood and with the other she rubbed the slick little button which throbbed underneath her caresses. "You need to come very badly, don't you?" she whispered.

For a brief moment the pleasure was almost too intense and I tried to wiggle away from the fingertips that were driving me crazy with each firm stroke. "Oh no you don't," she breathed. "I'm not going to stop now." With one arm she reached around my waist and held me so tightly that struggle was useless. With her free hand she kneaded the aching nub of flesh, faster and faster. At the very moment that I cried out in ecstasy for the first time, a finger glided into my tight pussy which pulsated with sticky gushes of come.

Even as the throbbing ebbed away, two more fingers pushed their way into me. My juices trickled down them as Joy thrust slowly but firmly in and out of my fanny, already pulsating again in utter bliss. For a moment she withdrew, tracing her sticky fingers up my belly and rubbing my juices into my tits. Then turning me round to face her, she took one tit in her mouth and sucked greedily, flickering her tongue around the stiff nipple.

Slowly Joy slid down my body, always fixing me with her teasing eyes as if daring me to stop her. But I didn't want to! She snaked her eyes around the outside of my thighs and slowly lowered her tongue onto my clit, tantalising it with the lightest of touches across its tiny peak. Back and forth she teased me until I could bear it no longer. I grasped the back of her head and ground her face against my cunt, forcing her tongue inside me until she was fucking me as hard as she could. When she finally pulled away, her face was covered in my sweet pussy juices.

"It's my turn now," I said, pushing her down onto the bed. I opened her silk dressing gown and spread her legs as wide as they would go so I could look closely at her lovely wet cunt. The only fanny I had ever seen before up close was my own when I hold a mirror up to it to see my

fingers sliding in and out of my hole. Hers was so beautiful, I couldn't wait to taste it. I bent my head closer to suck her plump pink love flaps into my mouth and licked the sticky juices that dribbled from inside her. I pushed my tongue between her cunt lips and she moaned with pleasure. "Suck my clit," she cried urgently, as I withdrew and slowly licked upwards along her sopping, sweet-smelling quim.

Wanting to keep her on the edge, I teased her with tantalising twirls along her bud until she could take no more. She pushed me down onto the floor and straddled my face, pinning my arms down with her thighs. Frantically she pushed her sopping pussy against my mouth. She lowered herself onto my tongue until it was jammed up her honey pot and fucked it in a frenzy, rubbing her rock-hard clit all the time. She writhed feverishly on top of me, gasping as her climax built up inside her until she came, her cunt cream throbbing down into my mouth.

I was so turned on by the feeling of Joy's hot pussy on my face that I was close to coming again myself. As she lay panting on the floor beside me, I spread my legs wide apart and so she could watch as I frantically frigged my swollen clit. But Joy wanted to do more than just look. "I've got something for us to play with," she said, drawing a large vibrator out of her bag. As I lay on my back, she took hold of my ankles and lifted them high in the air until my hot little hole was exposed. "You're dripping wet, aren't you?" she said. "It's going to feel so good when I slide this right up inside your pussy and fuck you with it – really hard."

With that she pushed the tip of the vibrator teasingly around my sticky cunt lips as I squirmed and groaned beneath her, desperate to feel it right up inside me. Slowly she began to inch it into my pussy. It was bigger than any cock I've ever been fucked by and I cried out as it stretched my pussy lips wide. Fearing that I might try to stop her, Joy tightened the grip on my ankles as she rammed the huge dildo up my cunt as far as it would go.

Next she pulled the vibrator down so that only the end was still inside me, then in one firm motion thrust it all the way back up my slippery pussy. I writhed in pleasure and begged her to keep fucking me with it. Faster and faster she worked me over with the vibro, forcing it harder and deeper with each thrust. "I'm about to come," I groaned, and for a second Joy stopped pumping me and let me put my legs down.

She straddled my crotch and began grinding her clit against mine as I took hold of the vibrator and rammed it in and out of her creamy cunt from behind.

As we came together, I could feel her clit throbbing against

mine and her juices soaking through my pussy hair.

As we lay shuddering and gasping in each other's arms, we were startled by the sound of clapping. Freddie stood grinning in the doorway of my room, obviously delighted to have stumbled upon a free sex show. "Fucking hell, Sarah," he laughed. "How long have you been a lesbian?"

"She isn't really," Joy told him, her eyes sparkling with mischief. "In fact I bet if you asked her nicely, she'll show you how much she likes cock." She went over to Freddie and to my astonishment, opened his flies and pulled out his stiff one. "It doesn't do anything for me, I'm afraid," she said, squeezing it flirtatiously, "but I'd love to see what it could do for Sarah."

Freddie and I have never been any more than platonic friends but the sight of his hard cock and the thought of being watched as it pumped into my pussy was making me horny as hell. Freddie raised a questioning eyebrow and I smiled my agreement. Joy helped me up onto the bed and pushed me down on all fours with my pussy close to the edge.

"Come on, Freddie," she said, "I've made her all hot and slippery for you." Freddie put his hands on my waist and pulled me towards him so I could feel the head of his cock against my cunt lips. "Ohhh, that's right," I moaned as he fed his hot length into my juicy hole. As he thrust in and out, Joy started fingering herself and then frigging herself with the dildo, still sticky from my cunt cream.

Freddie was so turned-on by watching her masturbate while he fucked me that he began hammering me so hard that his balls slapped against my thighs. I could feel his cock swelling as it slammed deep inside my cunt and I knew he was about to shoot his load. I rubbed my clit madly and cried out with pleasure when I felt his come squirting into my cunt as it throbbed in orgasm. Joy came a few seconds later, grinding the vibrator against her swollen button as she pushed a finger up her tight little bum hole.

The three of us collapsed on the bed, drenched in sweat and love juices. Not surprisingly, I didn't make it out on my girls' night, but then I'd had a great one at home! It's strange how things turn out, because now I'm going out with Freddie – although when our housemates came back at the start of term, we didn't tell them exactly how we got together!

Sarah, London.

BEN DOVER DELIVERS...

The jizz-setting porn veteran sheds some sunlight on the habits of the holidaying slut

BOND
TWO TROUSER SUITS
REGAL

Hi, my name's Ben Dover, and for those who don't know me, I produce and star in films that are character-led reality adult comedy based on the working dynamic of the late Hunter S Thompson... otherwise known as gonzo porn.

When I look back at my life and career, I'd say it can be described as one long holiday. At 17 I left school and headed for the summer season in Newquay to perform in a band. Newquay may not be the Caribbean, however it is hottish in summer and a popular holiday destination.

Growing up in a very middle-class Kent town, I was amazed by the total transformation of social norms from the conservative behaviour I had become accustomed to. My first impressions were that the kind of people who were holidaying and working in Newquay that summer season were completely different from those that I had grown up with.

In time I came to realize the people were the same but something strange happens once they've escaped from the restraints of work and family life, had a bit of sun and easy access to cheap alcohol. I found myself spending my first summer away from home in a modern day Sodom and Gomorrah... fantastic!

The experiences I had that summer set me up for my future career in porn. In fact, I have to admit that I left home at the beginning of the summer a virgin and returned to London a man – many times over.

It all started on my first night after I'd just finished a gig. One of the lads suggested going onto a club – it was already about 1 am. As we joined the back of the queue, I shouted to one of my friends who was nearing the front, "How much is it to get in?" He replied that entry was 50p, which in those day's wasn't cheap.

A girl who was stood next to me, in a skirt thinner than most belts, whispered in my ear, "Do you want to spend 50p getting in or take me back to yours and fuck me for nothing?" Always one to go for the cheap option, especially if it is teenage and willing, naturally I chose the latter. Good choice!

Why are women so much easier to fuck when they are on holiday? The answer, in my opinion, is that most women are complete sluts. Unfortunately for some weird reason this is not socially acceptable and can be construed as a form of insult. Well, in my vocabulary, calling a girl a dirty slut whore is actually a compliment. If you ask me, there is nothing wrong with a girl that loves cock!

The fact is that popular opinion dictates that women who are complete sluts have to hide the fact, so they have to repress their natural urges to get down on their knees and suck cock at every opportunity.

Therefore, for women, a holiday offers the opportunity to realize their slutty desires, away from the disapproving glare of family, work colleagues and wider circle of friends.

Any whore-like behaviour exhibited away from home on holiday, if ever exposed, can be justified by a copious intake of alcohol (this, in my opinion, is not the cause of the behaviour but can be used as a great excuse).

I can remember that first morning, waking up with my cheap fuck from the previous night and her banging on about the fact that she's never usually like that, blah, blah, blah.

It later transpired that she had been roasted by the guys in the next room the night before... so obviously her day job when not on holiday was in her local nunnery.

For the rest of that summer season in Newquay I discovered that getting sex was far easier than I had ever imagined. There are no great chat-up lines and no dating involved with pulling girls on holiday. It's a lot more of a basic hunt.

I thought Newquay was the greatest place on earth and that I wanted to spend the rest of my life there. Though come September, the tourist season ended and so did my levels of success with the ladies. I realized that the magic wasn't necessarily in the location. While I still think Newquay is great, but only when repressed sluts come to party there.

When we launched our Hen & Stag Weekends at www.ben-dover.biz, my team picked the locations based on our experience of where we'd had the most success with the birds. We came up with about 30 destinations both in the UK and abroad.

It was no surprise that when we went for the meeting with our tour supplier they advised us to promote almost the identical 30 locations. This reinforced the fact that you don't need a degree in tourism to put together great stag locations, just a knowledge of where the biggest sluts spend their weekends.

Anne Hathaway

The Devil Wears Prada? This little devil wears nothing at all, when the little tease can persuade script-writers to pen a nude scene or three. It might look like butter wouldn't melt in her mouth but we think the long-limbed, brown-eyed star of *Brokeback Mountain*, *Havoc* and *Get Smart* prefers another type of creamy fat between those luscious lips. Her best disrobings so far have come in 2010's *Love And Other Drugs* – maybe that should have been *Jugs*. Whatever they are, we're hooked on them. Give us another fix, Anne!

BEAVER ESPANA!

THE SPANISH MIGHT NOT BE MUCH COP AT BANKING, BUT OUR DROOPY-MOUSTACHED COUSINS DON'T NEED BAILING OUT WHEN IT COMES TO SEXY SENORITAS ON THE SILVER SCREEN...

ANGELA MOLINA

Ay caramba! As surrealist film director legend Luis Buňuel probably spluttered when he discovered this 21-year-old Spanish sexpot, star of his classic arthouse flick/wet dream *That Obscure Object Of Desire* (1977). Angela's assets are uncovered in a club full of pervy Japanese men and fondled and fucked on the floor in front of a grumpy-looking Fernando Rey. Her career was all uphill from here – try finding a film with her name in the credits where she hasn't got her bush out. s

ELENA ANAYA

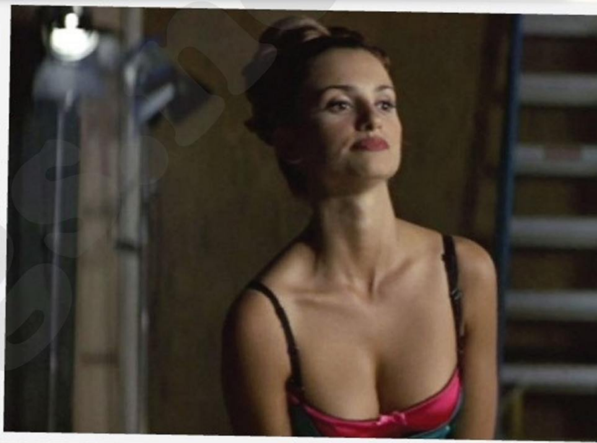
Spain has many wonderful sights of cultural importance. We have a soft spot for the Sagrada Famila in Barcelona. But we have a real hard spot for Barce-boner Elena Anaya, who's been inducing erections since her dirty debut in *Africa* (1996). From jug-jiggling and a glimpse at the undergrowth in 2001's *Sex And Lucia* to non-stop saucy Sapphic splashing around in 2010's *Room In Rome*, the Spaniards should raise a cathedral of carnality in honour of this titillating tartlet.

LINA ROMAY

Scream queen Lina Romay is the maestro of mucky scenes – from bondage, lesbian sex and threesomes to spreading her legs and getting all gooey (as we do exactly the same). Her debut in 1973's *Female Vampire* beguiled horror fans immediately with a ketchup-drenched split beaver scene and she's a firm favourite amongst the fright-night fraternity. Viewers of 'el clasico' of sex films *Rolls-Royce Baby* (1975) will spot her naked and foaming up her gash at the one-minute mark – teasing is not this lady's forte. Shaving and shagging, teat-tweaking and muff-munching are performed with effortless elan that seems typically Hispanic.

MARIBEL VERDŪ

Spanish cuisine is the best in the world at the moment, with more Michelin-starred restaurants than dead donkeys under towers. Tickling our tastebuds by serving us up a big helping of waz-pacho soup, we introduce Maribel Verdū, who you'll probably know as compassionate housekeeper Mercedes in Guillermo del Toro's *Pan's Labyrinth*. But her true claim to game fame rests in 2001 Mexican classic *Y Tu Mama Tambien*, which roughly translates as "older bird gets boffed senseless by two horny young lads." It includes one of the hottest threesome scenes we've seen outside the confines of our squalid little heads, just before we go to sleep. Find a copy now and gorge on it. Buen apetito!



PENELOPE CRUZ

Thirty-eight-year-old Penelope Cruz might have got an Oscar for her turn in Woody Allen's Vicky Cristina Barcelona, but we've been honouring her for giving us Woodys for years. In 1992, she had students turning their pork swords into mince in the back row of arthouse cinemas in *Jamon Jamon*. She didn't open her thighs in *Open Your Eyes* or show us her vulva in *Volver*, but we'll forgive her because Penelope's all about the butt and boobs. And what a butt and boobs! The mucky Madridista's mams have attracted such A-list Holly-wood as Tom Cruise, Matthew McConaughey and Javier Bardem. No doubt in an attempt to make Xenu-bothering Cruise realise what he was missing, she unleashed her perfect handfuls again in our trouser-tenting fave, 2008's *Elegy*, based on Philip Roth novel *The Dying Animal*. We were certainly groaning like harpooned blue whales by the end of her nude scenes.

VICTORIA ABRIL

Some actresses are lucky enough to get the iconic role of their life but Victoria Abril had already been working for sixteen years before landing the peach of a part as a porn actress in Pedro Almodovar's 1990 *Tie Me Up! Tie Me Down!* – advice that wasn't heeded by Victoria's cracking nipples and will be ignored by your cock in one of the quirkiest bathroom scenes in cinematic history, when a tiny frogman snorkels his way up her love lagoon. Victoria plunged in to more aquatic action as foxy flamenco teacher Abril showers (full frontal foliage on display, natch) in *101 Reykjavik*. Tit fans can ogle her chest-spuds as they are wiggled and jiggled in *The Moon And The Gutter*, *Don't Tempt Me* and *Hot Summer Rain*.

GAME GIRLS!

On your marks, get set, blow... only the randiest UK girls attended the Paul Raymond Summer Olympixxx 2012 party at the West End's exclusive gentlemen's club, Platinum Lace. Kathleen Turner

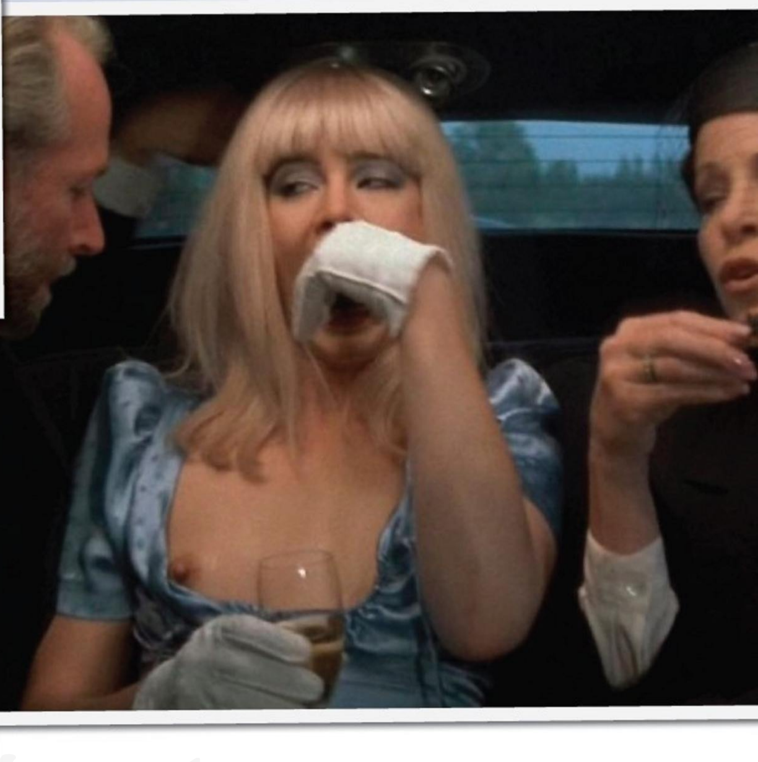
CELEBRITY SNATCH

Femme fatales have never been sexier than Kathleen Turner in steamy neo-noir flick *Body Heat*, where she made the mercury came out of the end of our thermometers in sizzling sex scenes set in the Florida glades. Kathleen continued to turner us on with a tit-tastic turn in *Crimes Of Passion*, in which all her brassières seemed to have been murdered and disposed of in shallow graves.



They say the way to a man's heart is through his stomach. Well, we say that the right tasty treat can also get you into a hot girl's knickers. Whether you're putting it in her gob, rubbing it into her tits or spraying it on your cock, food is the easiest, cheapest way to spice up your sex life...

BAD TASTE!

Whore d'oeuvres

The jury is out as to whether aphrodisiacs have magic powers that can transform a frigid bitch into a mad-for-it whore. Some experts believe that foods like cold, snot-like oysters work because they make a girl thing of her wet, fishy pussy. Indeed anything that looks like our favourite organs has the potential to turn virginal thoughts into smutty ones. We recommend figs, toad in the hole and funny-shaped veg – avoid the button mushrooms though. At the end of the day, she'll probably be so grateful that you cooked, she'll open her legs to say thanks.

Suck it and see

Take inspiration from a young Mickey Rourke and Kim Basinger in *9 1/2 Weeks* by blindfolding your hussy and feeding her an array of differently textured, sweet and sour food. It's a great way to get her to tune into her senses and be more responsive during sex. Try raisins, cod liver oil, sweets, berries and dark chocolate. To take it further, alternate sips of tea and bites of ice cream as you kiss down her body, suck her nipples and eat her out. The hot and cold sensations mean she'll be all squirmy, giggly and ready to take your hot meat as a mucky main course.

CHOCOLATE BODY PAINT

Fisty muffs

If I had a pound for every time I'd got a girl to take off her shirt by "accidently" pouring my dinner down her tits, well, I'd have enough to pay her dry cleaning bill. The trick to turning an innocent food fight into a messy, naked fuckfest, is to be cheeky. Appeal to the child-like side of them by giggling and upping the steaks with each throw. Start off with squirting ketchup, then move to pouring custard down their top. Next drop a gateau into their undies and finish by feasting on each other's flesh.

Bangers and muff

Remember those heady days when your missus would go up and down on your cock like a horny yo-yo? This is because, while they're trying to woo you, these manipulative slags will do anything to impress. But, as research shows, blow jobs are the first things to go in a relationship. The way to get her deep-throating your sausage once more is to make it look good enough to eat. Cover it with her favourite desert – be it mousse, custard or cream – and she'll be chowing down quicker than you can say bon appétit!

Hard to swallow

So you've managed to get your deserted dick into your honey's throat. The last thing you want is for this beautiful occasion to be spoilt by her gurning because your spunk tastes like week-old dish water. To turn your load into the appetising protein shake that it should be, eat lots of fruit & veg – especially pineapple – and avoid binging on garlic, dairy products, asparagus and curry. It's not just cocks that can benefit from such measures. These foods can also turn a toxic twat into a bountiful beaver buffet.

Raw sex

We've always been rather baffled by the bizarre practise of naked ladies covering their body in sushi, hoping that, when men slowly pick it off, they'll get a thrill as more flesh is revealed. Unsurprisingly this raw fishy caper comes from Japan and is called Nyotaimori, which means female body presentation (thanks Wikipedia!). But as foxy cougar Kim Cattrall showed us in the shitty *Sex & the City* film, it takes her hours to prepare and leaves her with a stiff neck. Well, we got our Office Slut to trial a British version. She covered herself in haddock and scampi from our local chippy. It took us two minutes to eat the fish and thirty minutes to all fuck her fish hole. Delicious!

Well oil be blown!

If your lady's cunt is drier than Vegas in a heat wave, chances are she's not going to let you have a poke at it. But don't fear, you just need to rub in something runny on it to stimulate her juices. If you don't have any lube to hand, oil, mayo and salad cream will work a treat. And if you fancy a go at her back entrance, take note from Marlon Brando who rubs a knob of butter over a soon-to-be-buggered maiden in *Last Tango in Paris*. It may not be classy, but it feels fookin' great!

Hole foods

Don't feel left out if you can't find a girl to feed, fight with or smother. Just close your eyes and fuck some fruit instead. Hollow out a hole in a melon or make like Jason Biggs in *American Pie* and mount your mum's apple tart. Just watch out for your dad. Single ladies can get fruity too. Pop your cucumbers or carrots into the fridge so they get nice and firm, then fuck away. Wearing a condom will prevent bits of food being left up your twat.

A Bit on the Side

It's the new full-frontal! Celebrity skin searchers like us applaud the rise of side cleavage, whereby tarty celebs can act all demure while flaunting their funbags at three o'clock. We do the same thing with our testicles out of the side of our Y-fronts. The wife loves it.

BROOKLYN LEE: NYMPHOMANIAC

ON SET

"I'm Brooklyn Lee, and I'm a nymphomaniac." Nymphomaniac is a much bandied about word these days. It doesn't mean a girl has a healthy interest in sex, it doesn't even mean a bit of a slapper. But we have to admit, this Ohio-born fuckstress and 2012's AVN Best New Starlet really does fuck like her life depends upon it.

We begin with elfin-featured Brooklyn confessing her darkest fantasies. It's good to hear this thoughtful side of her, as when

raging nymphomania takes hold of her, she becomes extremely brusque, dominating, or inarticulate with ecstasy.

"I love to take control," she murmurs. No shit, we think, as she summons Brit Samantha Bentley to her stately quarters, leading dusky damsel Ruth Medina behind her like the winner of the Derby, then proceeds to bully the girls into pleasuring her sticky love hole. Before long, lucky Sam is a table top feast, dildoed and spattered with more wax than Madam Tussauds by a frighteningly horny Brooklyn.

Sounds good? You should hear her good

ON SET

ON SET

sounds. In her scene with Lou Lou and Danny D, her mouth emits incredible slurps like it's a big wet pussy in the centre of her face. Mmm, if only.
Next up is Brit Jess "Wild Wild" West who gamely has a go at lassoing Danny D's 11 inch piece of beef. After deep-throating her incredulous, pretty little face, Danny vigorously strums her clit like a banjo

before branding her hide with his spunk. We end with Brooklyn's final fantasy being fulfilled. Intense, immersive, this outdoor DP scene has our new star howling with pleasure. As it did us, if we're honest with you.

Heather Graham

It's fifteen years since Heather Graham's frankly fabulous funbags rolled into our lives (and we rolled down our trousers) as Rollergirl in Paul Thomas Anderson's ode to skinflicks, *Boogie Nights*. And Heather and her golden Grahams (now 42) haven't hung up their boots quite yet, in padongla-tastic turns in *Killing Me Softly* and *The Hangover*. In fact she seems more comfortable with her massive mams out on screen than not. Thank Heather for girls like that!

Charlie woke up on the morning of his 40th birthday and was disappointed to find that neither his wife and kids had remembered – they didn't even say good morning to him, for God's sake!

He ended up leaving the house in a bad mood, and was nicely surprised when his secretary, Jane, wished him a happy birthday when he got to work, handing him a bottle of whiskey and giving him a kiss on the cheek. Really chuffed, he said, "Thanks, Jane. It's really nice that you remembered." He then buried his head in his work and tried to ignore the fact his family had forgotten his special day.

So, at lunchtime when Jane popped her head round his door and asked if he fancied having lunch with her, he agreed. As it was his birthday, she suggested a posh bistro nearby, instead of the usual greasy spoon frequented by local workers. They enjoyed a boozy meal and as they were paying, Jane said, "My flat's just around the corner – I don't suppose you fancy coming back for a coffee?" Charlie thought for a second before replying, "Yeah sure, why not?"

When they reached her place, Charlie sat in the lounge and Jane offered him a drink then went out of the room to make it.

A few minutes later, Jane came back into the lounge followed by Charlie's wife, family, friends and colleagues, all shouting, 'Surprise!', to find Charlie sat there open-mouthed… and naked.

A woman went to see a psychiatrist, complaining of problems with her sex life, after years of a somewhat rampant marriage.

The shrink asked her question after question but didn't seem to be getting any closer to understanding the root problem. Finally he asked, "Do you ever watch your husband's face while you are making love?" The woman nodded, "Well, yes, I did see his face once."

The shrink leaned forward, "And how did your husband look in that moment?" The woman looked at her hands, "He looked very, very angry. Irate, in fact."

The shrink nodded, feeling like he was starting to get somewhere, and said, "Hmmm, that's very interesting. Tell me, you said you have only ever seen your husband's face once during your lovemaking in all the years you've been together. This seems slightly unusual. Would mind me asking, what was different about that one time that you looked at his face?"

The woman replied, "Well, because he was looking at us through the window."

What's the difference between sin and shame? It's a sin to put it in, but it's a shame to pull it out.

My wife and I were walking down the street last week, when out of the blue, she accused me of being ashamed to be seen with her. "That is complete bollocks!" I replied, by text from the other side of the road.
